PAYETTE, IDAHO

Native Plants and Seeds
Perennial and Rockery Plants
Spring and Fall Bulbs

Fall 1936. Spring 1937. List No. 10. Retail only

Return Postage Gnaranteed

Price List

All plants guaranteed to arrive in growing condition, but do not guarantee results. Any complaint must be made on receipt of plants.

If plants are not satisfactory I will be just as pleased to receive your complaint as a word of praise.

I will make no substitutions unless requested to do so. All plants are 15 cents each unless otherwise specified. Postage must be added, and if sufficient postage is sent, I will include an extra plant if the order amounts to a dollar or more.

If you send too much postage, excess will be returned. Quite a few have not sent sufficient postage, and some none at all, and in such cases I have to omit plants to make ends meet, and I do not like to do this.

All plants perennial; n stands for native. Orders for \$3.00 or more which can go in one shipment will be sent postpaid.

Perennial and Rockery

Plants

Athilea umbellata
 Achilea filipendulina
 Achilea rosea nana
 Achilea ageratifolia
 Adenophora linifolia
 Alyssum montanum
 Alyssum saxatile
 Alyssum moellendorffianum
 Alyssum wulfenianum
 Alyssum serpyllifolium
 Androsacea sarmentosa chumbyi
 Androsacea Watkinsi
 Anemone pulsatilla 25c
 Anthemis montana
 Anthericum liliago
 Aquilegia, Dobbie's
 Aquilegia, Farquer's pink
 Aquilegia kitaibelli
 Aquilegia nigricans
 Arenaria landriana
 Arenaria laricifolia
 Arenaria montana
 Artemisia silver king
 Artemisia tridentata n
 Asperula hexaphylla
 Aster alpinus
 Aster capensis
 Barbarea rupicola
 Bleeding Heart 25c
 Campanula barbatus
 Campanula belardi

Campanula formanekiana
 Campanula lactiflora
 Campanula macrostachys
 Campanula persicifolia Tellhan Beauty
 Campanula persicifolia Mereheim
 Campanula longistyla
 Campanula parryi n
 Campanula pulsatilla
 Campanula tommaslana
 Campanula turbinata
 Causinia stricata
 Centaurea macrocephala
 Cheiranthus alloni
 Codonopsis ovata
 Crucianella stylosa
 Dianthus alpinum
 Dianthus arenarius
 Dianthus atrosanguinea
 Dianthus cruentus
 Dianthus deltoides
 Dianthus gigantea
 Dianthus loveliness
 Dianthus neglectus
 Dianthus nordiformis
 Dianthus spiculifolium
 Dicentra exima 25c
 Dryas sundermani
 Erigeron trifidus n
 Erigeron auranticus
 Eriogonum niveum n
 Eriogonum polyferum n
 Eriogonum stellatum n
 Eriogonum umbellatum n
 Eriophyllum pedunculatum n
 Erysimum pulchellum
 Euphorbia myrsinites 25c
 Euphorbia polychroma
 Festuca glauca
 Funkia lanceolata
 Funkia subcordata
 Genista multibracteata 25c
 Geranium caespitosum n
 Geranium incisum n
 Globularia bellidifolia
 Gypsophila olhamiana
 Herniaria glabra
 Hypericum ascyron
 Hypericum corris
 Hypericum japonicum
 Hypericum polyphyllum
 Hypericum repens
 Iberis sempervivum
 Incarvillea brevipes
 Incarvillea olga
 Inula ensifolia
 Iris ensata
 Iris dichotoma
 Iris aphylla hungarica
 Iris biflora fragrans
 Iris missouriensis n
 Iris sisyrinchium
 Iris, many early dwarf and bearded
 Lamium maculatum n

Linaria ventricosa
Linum capitatum
Linum flavum
Linum lewisia n
Lychnis alpina
Lychnis chalcedonica
Lychnis viscaria fl. pl.
Malvastrum coccinifolium n
Monardella parvifolia n
Monardella purpurea n
Opuntia fragilis n
Opuntia polyacantha
Opuntia many hardy varieties
of *Opuntias* and tender sorts
Pampas grass
Pansy, Steele's Mastodon, per
dozen 25c
Penstemon acuminatus n
Penstemon grandiflora
Penstemon heterophyllus
Penstemon ovatus n
Penstemon scouleri n
Penstemon torreyi
Penstemon venustus n
Penstemon veronicifolius n
Phlox divaricata n
Phlox aculeata n
Phlox longifolia n
Platycodon mariesii
Plumbago larpendulata
Polemonium humile n
Polemonium pulcherrimum
Pyrethrum roseum
Pyrethrum aureum
Potentilla nevadensis
Rumex venosus n
Salvia jurisica
Saxifraga umbrosa
Scutellaria alpina
Scutellaria brittanica
Scutellaria orientalis
Sedum album
Sedum altissimum
Sedum amplexicaule
Sedum acre
Sedum dasyphyllum
Sedum douglasii n
Sedum ewersii
Sedum floriferum
Sedum gracile
Sedum lydium
Sedum middendorfinum
Sedum nicaense
Sedum oppositifolium
Sedum sarmentosum
Sedum spurium coccineum
Sedum stenopetalum n
Sempervivum albidum
Sempervivum arenarium
Sempervivum braunii
Sempervivum glaucum
Sempervivum globiferum
Sempervivum juratense
Sempervivum kanswanii
Sempervivum kochii
Sempervivum lagerei

Sempervivum longibardum
Sempervivum pittonii
Sempervivum regina
Sempervivum rubrum dolomiticum.
Sempervivum schlehanii
Sempervivum tectorum
Sempervivum zeborii
Silene asterias
Silene maritima
Silene orientalis
Statice dumosa
Statice gougetiana
Telephium imperati
Thymus marshallianum
Thymus serpyllum
Thymus serpyllum album
Tritoma
Valeriana coccinea
Veronica armena
Veronica flexuosa
Veronica incana
Veronica rupestris
Veronica trehiana
Vesicaria utriculata
Viola palustris
Yucca

BULBS

The dates following each item indicates they are available between those dates. Twelve for the price of 10.

Allium acuminatum n5c
Allium fallax5c
Allium flavescens5c
Allium hymenorrhizum5c
Allium margaritaceum5c
Allium stellatum5c

The above available August 1st to October 1st.

Balsamorhiza hookeri, n 6-8 inches high with golden yellow daisy-like flowers 3 inches across. August 1 to Oct. 15.

Calochortus eurycarpas, 15-18 inches high with an umbel of large white flowers with a purple spot in each petal. 5c. July 1st to November 1st.

Calochortus macrocarpus, similar in growth to above but with lavender flowers. 5c. July 1st to November 1st.

Camassia leichtlinii, white, 2-3 ft. showy, 5c July 15 to October 1st.

Camassia leichtlinii, blue, same as above, same price.

Camassia quamishii, n, 15-18 in. high, spikes of light blue stars. 5c. July 1 to Oct. 15.

Delphinium leonardi, n 4-6 in. lightly branched and purple flowers with white bee. 5c.

June 1 to Oct. 1 but none available until fall of 1937.

Fritillaria pudica, n, Yellow Bells. 6 inches high with several nodding yellow bells. Early bloomer, Large bulb 10c. July 1st to October 1st.

Iris missouriensis, n, 8-10 in. high with lavender and yellow flowers, 15c. August 1 to October 15.

Lewisia rediviva, n, Rockrose, Bitter root. A beautiful little plant with tiny succulent, quill-like leaves an inch or two long which disappear as soon as the large two inch pink or white flowers appear. Perfectly hardy and a gem for the rock garden. 20c. July 1 to October 15.

Mertensia horneri, a little beauty 5-6 in. high, simple stems which carry an umbell of deep blue bells, 15c. July 1 to October 15.

Olsynium grandiflorum, n. It grows in every way like *Sisyrinchium*, but foliage disappears soon after blooming. Flowers mostly a purplish rose and an inch across. Very early bloomer, 15c. July 1st to October 15th.

Narcissus King Alfred, large bulbs, dozen \$1.00.

Taraxia heterantha taraxifolia deeply notched lanceolate leaves which lie close to the Ground. Flower stems an inch long with yellow primrose-like flowers, 15c. July 1 to October 30.

Tulips, mixed Darwins, 35c per dozen. If any special variety is desired, I will be glad to quote you prices, as I am in a position to buy at wholesale and save you money.
